How it works

You will be asked 'Are you of Aboriginal and/or Torres Strait Islander Origin?'. Health Service staff must ask you the question, we cannot assume upon appearance.

If you identify, regardless of age, you will be eligible for Better Together Medication Access.

If you decided to opt-in, your medication prescription can be taken to a Metro North Health pharmacy, where your medication is supplied with no out of pocket cost.

Talk to Staff caring for you for more information.

By identifying you will receive support from culturally appropriate services including our Indigenous Hospital Liaison Officers to assist your healthcare journey and recovery back to community.

For further information, contact your local Metro North Health Pharmacy Team.
