

# COMPREHENSIVE BREAST CANCER INSTITUTE

## Join us for a GP Breast Cancer Education Event

**FREE  
EVENT**

**Saturday 14 June, 2025 8.30am–12pm**

**Please arrive at 8:00am for registration. Presentations will commence promptly at 8:30am**  
**Clinical Skills Development Service, Block 6 RBWH Campus, Level 5 Conference Rooms 2 and 3**

Calling all GPs! Get ready for a morning packed with insights, updates, and valuable takeaways from the Comprehensive Breast Cancer Institute's expert multidisciplinary clinical team.

Our speakers include a Breast Surgeon, Genetics Specialist, BreastScreen Northside Service Medical Director, Medical Oncologist, Lymphoedema Occupational Therapist and Breast Radiologist. Whether you're new to breast medicine or want to deepen your knowledge, this event will arm you with the latest clinical practices, practical tips, and plenty of opportunities to ask questions.

Enjoy a relaxed atmosphere meeting colleagues and take home CPD points you can self-log. It's learning, networking, and a cup of coffee/tea all in one.

**The event will provide information and education, with topics including:**

**Benign Breast  
Conditions**

**Breast Cancer  
Genetics**

**Breast Cancer  
Screening**

**Role of a Breast  
Care Nurse**

**Comprehensive  
Diagnostic Breast Clinic**

**Contrast Enhanced  
Mammography**

**Lymphoedema  
Management**

**Neoadjuvant  
Chemotherapy**

**Book your free ticket today by scanning the QR code**

**LIMITED CAPACITY, RSVP ESSENTIAL.**

**Metro North  
Health**

**Queensland  
Government**
