We need your feedback!

Every year we undertake a survey with our members that helps us evaluate how our Hub benefits (or not) the people who use our services.

It is that time of year again!

We truly value your input and hope you will complete the survey.

Please click on the link [Hub-Evaluation-2023 Survey](#) or the QR code and complete the survey online. If you have done this evaluation survey with us before, you will have a unique code that includes the last 3 letters of your surname and the day and month of your birthday. Please use that code again when completing the survey. If you are new to the survey, then you will be asked to create a unique code. This code is a way for us to compare data from previous years without identifying you in any way.

As a thank you, we have Seniors GO Cards with \$10 credit pre-loaded, for 40 completed surveys. Once you have completed and submitted your survey, come into the Hub to collect your Go Card. You will be asked a question that has the answer at the end of the survey, in exchange for the card.
