Brighton Wellness Hub Bulletin – Bright 'N' Sparks Choir Countdown

Dear Bright 'N' Sparks choir family,

The countdown is on for the debut concert, and we couldn't be more excited!

Please see below everything you'll need to know about the concert.

Remember please to register for a free ticket (as a performer) so we can keep a track of who will be joining. Also please share the flyer with your friends and family and neighbours - we welcome any friendly faces to join us and be a part of celebrating your amazing progress this year. We just ask that they register for a free ticket, so we know how many chairs and how much morning tea to prepare.

At Brighton Wellness Hub, we're committed to providing you with the tools and resources needed to achieve a healthy life. We invite you to visit the hub, open from 8:30 AM to 4:00 PM weekdays, and embark on a path to holistic well-being with us.

See you soon at Brighton Wellness Hub!

"Spark Change: Volunteer with Community and Oral Health Today!"

Community & Oral Health (COH) offers a broad range of quality community-based health-care and support services to help people improve and maintain their well-being and independence. COH operates community health facilities across the Brisbane North region, from inner-city Red Hill to bayside Brighton.

The volunteer program manages Volunteers across the service. Our Volunteers work alongside health-care staff to provide support, companionship and care for our clients, patients and residents and their loved ones.

Volunteer with us:

Volunteers play an important role in helping us care for our patients and residents.
