

# Halwyn Centre

## Service Profile 2025

### Geographic location of the service

The Halwyn Centre is located at 76 Waterworks Road, Red Hill which is approximately 5km from the Brisbane CBD and RBWH.

### Geographic catchment

Due to the unique service profile of Halwyn Centre, respite care is provided to individuals who are residents of the greater Brisbane area.

### Service Delivery model

The Halwyn Centre is a Supported Independent Living (SIL) service which caters for NDIS participants who have complex high-care needs and require 24/7 care. All our residents mobilise with a wheelchair and have varying levels of support requirements due to their individual impairments. The centre has 20 permanent beds. No new permanent admissions are accepted. Halwyn Centre also provides short term accommodation for existing participants. No new respite admissions are accepted. The centre is located next door to the Red Hill Special School.

#### The Halwyn centre aims to:

- Enrich the lives of the residents through cultivating positive attitudes, providing holistic care and encouraging all residents to live their best life.
- Provide evidence-based service for the residents that reflect contemporary practice in the field of disability services.
- Provide a multidisciplinary approach to provide high quality services.
- Foster successful partnerships with other service providers who engage with our residents.
- Successfully adhere to all NDIS Practice Standards; The National Safety and Quality Health Service (NSQHS) standards and the NDIS Code of Conduct in providing quality care for our residents
- Strive to improve our services with annual satisfaction surveys and strategies that focus on differing aspects of care to ensure a high level is maintained.
