

Having difficulty getting to your Metro North Health hospital outpatient appointment?

A free Videocall (Telehealth) service is now available to help Brisbane North and Moreton Bay residents easily connect with their hospital consultant.

Available
NOW!

The Videocall (Telehealth) Pod provides a private and comfortable space where Metro North Health hospital patients can attend their outpatient appointment through video technology.

There are no parking fees, less travel time and improved access for people who are not tech savvy or have access issues.
