

COVID-19 update 154 – 12/09/2020

Dear colleagues,

It's my first weekend back in the Metro North EOC for quite a while so I am going to keep this message short and sweet!

Over the last 24 hours, Queensland have recorded three new positive COVID-19 cases. These cases were all in quarantine when diagnosed and are linked to the current Brisbane Youth Detention Centre and Corrections Academy Cluster.

Queensland Health have a list online of [current contact tracing alerts](#). Anyone who has visited the mentioned locations at the mentioned times should monitor their health and get tested should even the mildest symptoms occur.

Due to low number of presentations we have made the decision to suspend our Redcliffe Showgrounds Community Assessment Clinic. The situation will be closely monitored, and should the need arise, it will be re-established. The clinic at Redcliffe Hospital remains open and is continuing to test patients.

Kind regards,
 Mark Butterworth
 Metro North Incident Commander

Current MN Response Tier Activated – Tier Two minus

Metro North HHS – overview of cases*

HHS	Patients being managed by HHS					FEVER Clinics			
	Total In-patients			Virtual Ward / HITH / or similar	Deaths **	Total cases managed by HHS (including recovered) ***	# of clinics	Presentations	
	ICU Pts		ICU-NOT Ventilated					Last 24hrs	TOTAL^
	ICU-VENTILATED	ICU-NOT Ventilated							
MN	0	0	0	0	3	342	5	440	85,210
TOTAL									

*With effect 12 September 2020, 1000

**Metro North has three recorded deaths (one person a return traveller into NSW, who passed away in NSW)

*** These numbers reflect the cases being managed by Metro North.
