

Kia Ora CKW team

As we say goodbye to 2024 and prepare to welcome in 2025, I wanted to wish you all a very happy and safe New Years Eve.

2024 has been a busy year for us at Metro North Caboolture, Kilcoy and Woodford Clinical Directorate with many amazing achievements, we have treated thousands of patients, we have opened new services and successfully achieved accreditations.

Working in such a large health service sees us not only look after our community but also employ many amazing Staff, who become our friends and colleague consequently over the past year we have also met many new colleagues and supported our work friends through many celebrations, challenges and sadnesses.

As with every year 2024 has bought a mixed bag to us all, and as we look towards 2025 I encourage you all to reflect on the positives and look ahead at the potential.

To those of you working tonight and tomorrow – Thank-you!

To those of you celebrating please look after yourself and your loved ones and their friends – most importantly Be safe – we look forward to seeing you happy and healthy in 2025.

The way we see NYE in!!
