

Hi CKW team,

Congratulations to everyone who has attended a training session in our first full week of ieMR instructor-led training at Caboolture Hospital!

Instructor-led training commenced for everyone at the start of last week and is being delivered across several areas of the Caboolture Hospital campus - at the Education Centre, Ward 4A, and at the Caboolture Medical Hub, 124 McKean Street.

Your line manager will book your instructor-led training session/s on your behalf. Keep an eye out for your training confirmation email, which will provide the date, time, and location of your instructor-led training session/s. You can also [check the QHEPS timetable](#) for a full list of class details.

It is essential that everyone completes their ieMR training before going live on Wednesday, 7 May 2025. If you're unsure what training you need to complete for your role, please [click here to take the ieMR Training Quiz](#).

As of today, 24 percent of CKW staff have completed all their ieMR training and proficiency, with the breakdown by staffing cohort below.

Staff Training by Profession

If there are any ieMR training questions that your line manager cannot answer, please email either: Adam.Stott@health.qld.gov.au or Alessandra.Kelly@health.qld.gov.au from the Metro North Health ieMR Program Training Team.

Complete the ieMR staff readiness survey

With responses closing at the end of this week, a friendly reminder to click below and complete the mid-point ieMR staff readiness survey.

How ready are you for the ieMR at Caboolture and Kilcoy Hospitals?

Complete this staff readiness survey in preparation for the ieMR go-live.

[Click here to take the survey](#)

Taking just a few minutes to complete – and with responses giving us a clear understanding of how we are progressing in our ieMR readiness journey – I encourage everyone who hasn't yet done so to provide your valuable feedback to the training team.

Kind regards,

Karlene Willcocks, Executive Director and
Grant Duffill, Director Clinical Health Information Service

Caboolture, Kilcoy and Woodford
