

Pride in Metro North

Visit the Trans Day of Visibility stall today

Today (31 March 2025) is Trans Day of Visibility, an international celebration of trans pride and awareness, recognising transgender, gender-diverse and non-binary experiences/achievements. On this day we come together to celebrate the progress that has been made for LGBTQIA+ inclusivity, but reflect on the challenges that trans people face. RBWH is committed to providing a safe and inclusive environment for all employees and consumers that identify as part of the LGBTQIA+ community.

We encourage all staff to visit the stall on level 1 near the coffee cart to find out more.

You can also get involved by:

- Sharing your pronouns
- Checking your documents to ensure they use inclusive language
- Using the patient's chosen name which might be different to their birth name
- Being open minded.
