Thursday 15 May 2025 | 10am – 11am

NOMINATIONS CLOSE: FRIDAY 18 APRIL

Caboolture Hospital

Proudly supported by

Metro North
Health

Queensland
Government

International Day of the Midwife and International Nurses Day are celebrated annually on May 5 and May 12 respectively.

Both days recognise the invaluable contribution that nurses and midwives make to healthcare around the world.

To mark this occasion, the Caboolture, Kilcoy and Woodford Directorate will again be presenting awards to outstanding nurses and midwives in recognition of their exceptional contributions to our team and the wider healthcare community.

We invite you to nominate a nursing or midwifery colleague or team you feel deserves recognition for their outstanding work.

This could be someone who has gone above and beyond in their duties, demonstrated exceptional leadership or teamwork, or made a significant contribution to improving patient care.

To nominate a colleague or team, please [complete this nomination form](#) by Friday 18 April.

The awards will be presented at the CKW Nursing and Midwifery Excellence Awards ceremony on Thursday 15 May from 10.00am to 11.00am.

You're welcome to attend the awards presentation in person or join us via Microsoft Teams.

This event is sponsored by our friends at QSuper. Thank you for your ongoing support of CKW.
