

Dear colleagues,

People and Culture has hosted vidcasts over the last week about the offer from Queensland Health to the Queensland Nurses and Midwives Union (QNMU) and Australian Workers' Union of Employees, Queensland (AWU) for a replacement enterprise agreement for Nurses and Midwives, referred to as the proposed *Nurses and Midwives (Queensland Health and Department of Education) Certified Agreement (EB12) 2025*, (NMEB12). The QNMU and AWU are now considering the offer and consulting with their members.

I would like to thank those who were able to attend these sessions. For nurses and midwives who were unable to attend, there are valuable resources available online that outline what is contained within Queensland Health's offer, including a fact sheet, frequently asked questions and a proposed wage schedule. These documents can be accessed [here](#).

I would like to encourage all nurses and midwives to take the time to review these documents and familiarise yourself with the offer.

Kind regards,
Alanna
