Dear colleagues,

Following the completion of an extensive recruitment campaign, the Board is pleased to announce the appointment of Mr Nick Steele as Chief Executive of Metro North Health.

Nick brings senior health sector leadership experience across Queensland and the United Kingdom, with a strong track record in service delivery, governance and financial stewardship. His experience is critical as Metro North continues to improve patient outcomes, build sustainable performance and strengthen our culture.

Since commencing as Acting Chief Executive in September, Nick has led with a system-wide perspective and prioritised engagement with staff, clinicians and key stakeholders. The Board has valued his steady and focused leadership during this period of transition.

His appointment provides continuity and momentum as Metro North progresses its Strategic Priorities and performance improvement agenda, strengthening Metro North Health's focus on excellence in care and fostering a workplace where respect and support are at the core.

On behalf of the Board, I congratulate Nick on his appointment and look forward to working with him to deliver high-quality, equitable and compassionate care for our community.

Kind regards,

Bernard
