Hi everyone,

As we come to the end of 2025, I want to thank you all for your dedication and commitment to patient care both directly and indirectly over the past year.

I've been grateful for the warm welcome you've given me since joining Metro North Health, and your willingness to share your experiences and ideas. I've appreciated the opportunity to learn more about the scale and complexity of Queensland's largest HHS, and the many capable and committed people who deliver care to our community. Thank you for the support you've shown along the way.

2025 has been filled with challenges, like an unexpected cyclone, and opportunities to shine, like the completion of the Caboolture Hospital Redevelopment Project, introduction of NanoKnife technology at RBWH, our Anti-Racism campaign, the TPCH Clinical Trials Centre, the 60<sup>th</sup> anniversary celebrations for Redcliffe Hospital, record procedure numbers at STARS, the new COH/TPCH dental clinic, and the many, many successes highlighted at the Metro North Research Excellence Awards.

A highlight for me was the Metro North Staff Excellence Awards, a chance to recognise the talent and dedication across our organisation. I was pleased to present my first Chief Executive Award to Dr Liz Kenny, and to see staff come together to celebrate the achievements of colleagues from across our health service.

No doubt 2026 will bring more surprises, but I'm confident that working together as one Metro North team, we can face whatever comes our way and continue to make a positive contribution across all areas of our very large health service.

If you're working over the next few days, thank you for your efforts and for supporting your colleagues to have a break. Whatever you're doing over the next week, I hope you have a chance to unwind and spend quality time with loved ones.

Wishing you a Merry Christmas and a happy New Year.

Take care.

Nick.
