

RBWH Staff Update

Metro North Health

It's looking a lot like Christmas at RBWH!

To celebrate the season, 27 wards and work areas participated in this year's Christmas decorating competition.

With theme options, '*Candy Cane Lane*', '*Storybook Christmas*', '*Christmas Around the World*', and '*Enchanted Forest*', teams put considerable time and effort into representing Christmas and bringing some festive cheer to patients in their care.

While all areas did a fantastic job (and made things very challenging for our judges), the following were awarded winners and runners-up in the two categories.

Category: Outpatients, Ambulatory and admin

Runner up

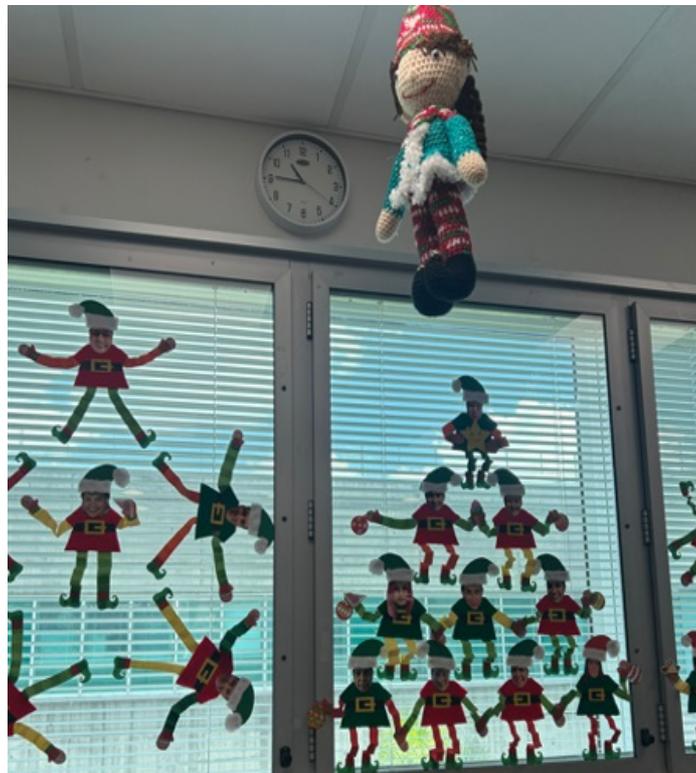

CMORE - Centre for Medical Officer Recruitment and Education
