

Metro North Health CULTURE & ENGAGEMENT

Social impact hackathon judging scorecard

Team name:	
Project title:	
Judge's name:	

Criteria	Description	Score (1-5)
Social impact	To what extent does the idea address a meaningful community or societal issue?	
Innovation and creativity	How original, creative, or unique is the idea or solution?	
Feasibility	Is the idea realistic and achievable with current resources, timeframes, and context?	
Clarity of presentation	Was the problem and solution explained? Was the pitch engaging and persuasive?	
Teamwork and collaboration	How well did the team work together to integrate diverse perspectives or skills?	
Alignment with Metro North values	Does the project reflect the values (Compassion, Integrity, Teamwork, Respect and High Performance?)	
Potential for sustainability	Could this idea continue beyond the hackathon or scale to have lasting impact?	

Note: You can change the criteria and description as needed.

Total score (out of 35): _____
