Dear colleagues

Every two years there are changes to Hospital and Health Boards on the same day across the state. On 1 April we welcomed new members Abi Cheadle, Christopher Blue, Professor Michael Cleary PSM, and Metro North clinician Professor Peter Hopkins. All have been appointed until 31 March 2030.

Dr Meg Cairns was reappointed as Deputy Chair and I was reappointed as Chair, both until 31 March 2030. We join continuing members The Honourable Jane Prentice and Dr Peter Aitken PSM.

On behalf of the Board, I'd like to thank outgoing Board members Aimee McVeigh, Nera Komaric, Dr Poya John Sobhanian, Linda Lavarch, and Adrian Carson AM for their service. I appreciate the commitment they each demonstrated and wish them all well for their future endeavours.

I'd like to acknowledge Adrian in particular who has served on the Board for 9 years. During that time, he has provided significant contribution to the Board, especially in his advocacy and guidance around achieving health equity within Metro North and the broader health system.

The Board look forward to meeting staff, consumers and healthcare partners as members attend events and meetings across hospitals and services.

The next Board meeting will be at RBWH on 28 April. During the day, members will have the opportunity to tour cancer care services, the neonatal intensive care unit and special care nursery, ICU, and Cath Lab / Coronary Care Unit.

Regards,
Bernard
