Dear Team,

There are a lot of important events, awards and celebrations coming up in the next few weeks and month to acknowledge the great work of our staff.

Shortly, we celebrate **Administrative Professionals Day** for 2026, where we celebrate the contributions of our administration colleagues.

Each day, as our clinical staff provide care for patients, they are supported by teams of administration professionals across our directorate, facilities and bedded services.

Our administrative stars are a central part of the care we provide and help ensure that our services continue to run efficiently and effectively.

They are often the front face for our services and the first point of contact for our consumers.

Thank you to all of our administrative staff for their dedication and commitment and for all you do everyday.

# Connecting Care CHAMPIONS

**In the MIX for 26!**

## Nominate a Chermside, Nundah or Stafford Connecting Care Champion

The COH executive and members of the staff council will be visiting north Brisbane next to connect, share information and recognise our staff as part of the COH Connecting Care Champion Awards.

Award nominations will be open to the following sites:

- Chermside Community Health Centre
- Nundah Community Health Centre
- Stafford Dental Clinic.

Please take the time to nominate a person from one of these sites for the COH Connecting Care Champion award by emailing [COH-Communications@health.qld.gov.au](mailto:COH-Communications@health.qld.gov.au)

We are looking for those champions who are the quiet achievers, the staff who connect and enhance the team and care provided, and who go above and beyond to support our residents, patients and families.

And we only need 50 or 100 words unless there is too much to say about the nominated champion! So, feel free to word smith and add a bit of colour to your nominations.

**Nominations close Wednesday 22 April!**

The visit will occur on **Tuesday 28 April** or [via TEAMS](#).

## Diabetes service compliment

*"I would like to take this time to thank the amazing diabetes team for the attention and care they have given me. I just can't believe that I have learned so much about my Type 1 Diabetes in such a short time.*

*"I was emotionally drained, stressed to the maximum and confused about treatment and food. I am so grateful for the App provided. What a help that has been as it makes life so much easier and I feel normal again.*

*"Thank you to the Diabetes Service, I really appreciate you all."*

## Final Shoutout - Dental van facelift

The Metro North Oral Health Service School Dental Service has revealed its newly wrapped fleet of school dental vans with illustrated children's artwork that catches the eye.

School Dental Service Director Dr Tarini Singh said we have listened to the feedback of parents and families who wanted the dental vans to be more visible, easier to find and more appealing to kids.

“The newly wrapped vans have been re-imagined with fresh, fun, creative designs and artwork to make the visit to the dentist more enjoyable for children,” she said.
