

Administrative Professional Day 2026

Thank you to all Community and Oral Health staff

Congratulations to our Administrative Professional Day 2026 winners!

Today is Administrative Professionals Day where we thank our administration colleagues for their continuing support.

Each day, as our clinical staff provide care for patients, they are supported by teams of administrative professionals across our directorate, facilities, bedded services and dental clinics.

Our administrative stars are a central part of the care we provide and help ensure that our services continue to run efficiently and effectively.

Thank you to all of our administrative staff for their dedication and commitment and for all you do.
