Dear colleagues,

I am pleased to announce the permanent appointment of Jamie Spencer to the position of Executive Director, Caboolture, Kilcoy and Woodford Directorate.

He brings extensive experience from senior roles across major hospital networks and health services in Australia, including leadership of statewide reform programs, and delivery of improvements in emergency care, patient flow, digital health and aged care.

Most recently serving as General Manager of Wagga Wagga Base Hospital, he has also worked across the Queensland Health Network, including Central Queensland HHS.

With a Master of Health Service Management and a Bachelor of Nursing, Jamie brings both strong clinical insight and executive capability to the role.

Commencement in the position will begin Monday 13 July 2026. Please join me in welcoming Jamie to the Metro North Health team.

I would also like to take the opportunity to thank Dr Ted Chamberlian for covering the role over the last six months and his leadership of the Caboolture, Kilcoy & Woodford Directorate. Ted has championed workforce and service development to prepare CKW for the next phase of service planning for the predicted growth in the region. Ted has cultivated a supportive, inclusive team culture that will continue to drive operational growth and quality of care.

Regards,

Stephen
