Introducing Metro North Mental Health's very first Staff Excellence Awards

Good afternoon all,

The Metro North Mental Health (MNMH) Staff Council is excited to announce the inaugural MNMH Staff Excellence Awards. These awards are a celebration of the achievements and dedication of staff across all of MNMH, including our hosted and statewide services.

The awards will recognise individuals and teams who demonstrate excellence, leadership, innovation and collaboration, and a strong commitment to Metro North Health's [values](#).

To be held during Queensland Mental Health Week (3-11 October 2026), the awards will celebrate the "moments that matter" – the everyday excellence of our people.

Nominations

Nominations will be open for 4 weeks from today (Wednesday 5 August) to Wednesday 2 September 2026.

With 11 categories to choose from – including the MNMH Recovery Awards which recognise the important work we do in this space every day – there are plenty of ways to acknowledge colleagues and teams who are making a real difference.

You can also choose to have your submission automatically entered for the Metro North Staff Excellence Awards, to be held later in the year.

Awards ceremony

The inaugural MNMH Staff Excellence Awards ceremony will commence at 3.30 pm on Thursday 8 October 2026. Staff will have the option to attend a catered event in-person at the RBWH Education Centre or join the event online.
