

Emergency Medicine Foundation

JAMIESON TRAUMA INSTITUTE

Trauma Care in Regional, Rural and Remote Queensland SYMPOSIUM

An Emergency Medicine Foundation and
Jamieson Trauma Institute collaborative event.

EMF and JTI are bringing together clinicians, researchers and stakeholders to discuss how research can improve emergency trauma care in rural and remote Queensland.

Project reports, including recipients of the EMF Trauma Care in Regional, Rural and Remote Queensland grants.

Panel discussion with the goal to establish research priorities and questions to increase access and quality of emergency trauma care in Queensland.

24 October 2024

QUT Gardens Point Campus
Z1064 Gibson Room

TIME: 1pm to 6pm
cost: Free
