About Allocation of Uniforms

Full time employees are entitled to an allocation of uniforms (including scrubs) to the value of 5 culottes and 5 shirts (selected from the range available via Standing Offer Arrangement [SOA] 601).

Nurses/midwives can select any combination of uniform pieces available in the SOA 601, including scrubs.

Part time and casual nurses/midwives will be issued with a pro rata allocation of uniforms. (Queensland Health Nurses and Midwives Award – State 2012, Clause 5.5) NB

All nursing/midwifery staff are to be issued with one (1) 'formal' uniform (not scrubs) for use when official representation of MNHHS nursing/midwifery is required, as part of their allocation.
