>\$30m
awarded

Submitted in
2023

>75 submitted, 25 successful
5 Category 1 grants
(to date, 26 results pending)

>\$20m
awarded

The STARS Education and Research Alliance is a 20-year partnership between The University of Queensland and Metro North Health. The Alliance brings together world-leading researchers, clinicians and educators to create knowledge and embed clinical research that transforms patient outcomes and clinical care. The Alliance includes conjoint staff, research fellows, two co-located research centres QARC and the RECOVER Injury Research Centre and all STARS staff involved in research and education activities.
