Instructions for iLearn registration - non-QH users (students and non-QH Health professionals)

The first component of the program is the online Spirometry Education, which is a pre-requisite to the workshop/placement. To access this program you must register with iLearn, the QH Learning Management System:

To create an iLearn account, follow the steps below:

1. Click on the following link to access the iLearn home page: [https://iLearn.health.qld.gov.au](https://iLearn.health.qld.gov.au)

2. Click on “Register here for an iLearn account”

3. You will see the screen below. Please read this important information:

   **IMPORTANT:** Users are only entitled to one iLearn account. If you have previously registered or have an existing account any new registration will not be processed. If you experience issues with registration please contact 1800 198 175 for support.
4. Scroll down until you get to either the student or the non-QH employee categories.

5. Click on “Go here” to proceed with your registration.

6. Select “I do not have an iLearn Username and password”, then select Submit.

7. Select the link Non Queensland Health learner option.
8. On the screen below select Register.

9. Complete and submit the registration form below with your information and the information outlined in section 4 above. NOTE: please use an email address that identifies you and if possible your organisation (e.g. employer, learning institution, business etc) in preference to a personal email address (e.g. @hotmail etc). Do Not use a generic email eg “admin@” or “reception@” that may be used by more than one staff member in your organisation.

 supervisors name:
Irene Schneider
07 31394755
10. Account confirmation advice will be displayed and you will receive a confirmation email containing your username and link to reset your password.

If you require further assistance please contact the following help centre number:

1800 198 175

Please contact QHSTP@health.qld.gov.au when you are registered for iLearn so that access to the spirometry Education can be assigned.
