RBWH Cancer Care Services is proud to present:

## Cancer Preceptorship for General Practitioners 2018

**Saturday, 21 July 2018**

Registration: 8.30am concludes: 5.30pm

RBWH Education Centre, Butterfield St, Herston

The Cancer Care Department at Royal Brisbane and Women's Hospital is the largest cancer service in Queensland, encompassing Haematology, Bone Marrow Transplant, Medical Oncology, Radiation Oncology and the Queensland Haemophilia Centre.

Our preceptorship provides a quality educational experience for GPs enabling us all to continue to provide excellent care for our patients.

The Cancer Preceptorship for General Practitioners will be convened by Dr Melissa Eastgate.

We look forward to meeting you at RBWH.

**By registering, you agree to participate in the full program, including completion of a pre-workshop knowledge assessment and the tour/workstations of the unit.**

All attendees will go into the draw to **WIN** a surprise gift to the value of \$400 (conditions apply).

You must be present at the radiation oncology tour to receive your prize.

This workshop covers a wide range of topics relevant to General Practitioners including:

- Haematology
- Medical Oncology
- Radiation Oncology
- Case Studies
- Workstations
- Tour of Chemotherapy Day Therapy Unit and Radiation Oncology facilities

*“Great overview. Good examples of the newer immunotherapy and chemotherapies... PHN North Brisbane talk was helpful.”*

*“The Radiation Oncology workshops were excellent.”*

*“Very well organised. Topics were very relevant to a GP.”*
