

INVITATION FOR GPs

Common Challenges in Primary Care: Paediatrics

Wednesday 29 May 2019 - The Prince Charles Hospital

Join us for an evening of education and discussion about common paediatric conditions and services available in Metro North. Network with children's health directors and fellow GPs.

This session will allow discussion with paediatric specialists about the range of children's services available in Metro North Public Hospitals. Presenters will share professional advice on how to manage common paediatric conditions seen in primary care that can be difficult to manage in the community.

Please email your questions in advance to our children's specialists via mngplo@health.qld.gov.au. For further information please contact Brisbane North PHN on 07 3630 7300 or email administration.integration@brisbanenorthphn.org.au.
