

Interactive Research Workshop 2019

# Publishing Primary Research Articles

**Tuesday, 16 July 2019, 12:30pm - 2:00pm**

RBWH Education Centre, Royal Brisbane and Women's Hospital

A light lunch will be available from 12:00pm

## Topics:

- Going from protocol to paper
- Structure of a primary clinical research article
- Communication of key messages in the abstract

## Workshop format:

- Introduction
- Breakout session: appraisal of published papers → (re) writing the abstract
- Panel discussion

## Who should participate:

- Early and mid-career clinical and biomedical researchers wanting to develop good paper writing skills

## Engage with and hear from a panel of clinical research writers:

- How to approach paper writing?
- What features of a manuscript do reviewers focus on?
- Top tips for successfully publishing research papers in high impact journals?

**Please note:** Attendance in person is required for this event (i.e. videoconferencing will not be available)

**Register by COB Thursday, 11 July 2019**

Please use the online registration form available from the MN Research webpage
