

Research Education Interactive Session 2019

## Enabling Clinical Research Through Partnership

**Tuesday, 13 August 2019, 12:30pm - 2:00pm**

RBWH Education Centre, Royal Brisbane and Women's Hospital

A light lunch will be available from 12:00pm

### Through short presentations and panel discussion this session will:

- Showcase research capabilities of partner institutes
- Exemplify collaborations between clinicians and scientific researchers
- Consider how partnership enables research

### Why you should attend?

- Hear the perspectives of facility leaders, clinicians and researchers
- Meet potential collaborators
- Engage with expert research panel

### Represented Facilities and Services:

- Herston Imaging Research Facility (HIRF)
- Medical Engineering Research Facility (MERF)
- Pathology Queensland
- UQ - Centre for Clinical Research (UQCCR)

This session is designed for clinicians and scientists with an interest in advancing clinical research, biobanking and biomedical research through the power of collaboration and partnership.

**Please note:** Attendance in person is required for this event (i.e. videoconferencing will not be available)

**Register by COB Thursday, 8 August 2019**

Please use the online registration form available from the MN Research webpage <https://metronorth.health.qld.gov.au/research/education-and-events>

Coordinated by the Metro North Office of Research, Professor Janet Davies - [MNHHS-Research@health.qld.gov.au](mailto:MNHHS-Research@health.qld.gov.au)
