

# INVITATION FOR GPs

## Common challenges in primary care: Community Health - a GP's guide

Tuesday 11 February 2020, The Prince Charles Hospital

Welcome to a new CPD triennium!

To kick off the year and continue the theme of *Common challenges in primary care*, Metro North Hospital and Health Service (Metro North HHS) and Brisbane North PHN invite GPs to join us and our panel of experts for an evening of education, networking and discussion on Community Health services in the Metro North region.

The evening will be an interactive session with representatives from the Community Health care team. Join your GP colleagues in engaging with our panel of experts about your own cases so bring plenty of questions.

### Learning outcomes

1. Review the range of community based health services available in the Metro North area.
2. Discuss the role of nurse navigation and how it relates to general practice patients.
3. Examine clinical cases of how community palliative care services can be used to collaboratively manage patients in the Metro North area.
4. Discuss clinical cases and the range of post-acute care services provided in Metro North and how these can improve patient outcomes.

Program	
6.00 pm - 6.30 pm	Registration, dinner and networking
6.30 pm - 8.30 pm	<ul style="list-style-type: none"><li>• <b>Welcome and GP Liaison Update</b> - Dr Kylie Norris, General Practice Liaison Officer</li><li>• <b>Navigating Community Health Services at Metro North HHS</b></li><li>• <b>What public services are available to patients and how to access them</b></li><li>• <b>Nurse Navigator/Nurse Practitioner</b></li><li>• <b>Community Palliative Care</b></li><li>• <b>Post-Acute Care Service</b></li><li>• <b>Q&amp;A - Panel of experts</b> (bring along your cases to discuss)</li></ul>
