The awards

The Metro North Health Staff Excellence Awards recognise staff excellence and achievement either individually, in teams, or through partnerships across facilities, services and streams, or with community partners.

The Awards will also celebrate staff who make a significant contribution, and demonstrate a strong commitment to our values – respect, teamwork, compassion, high performance and integrity.

The categories for the 2021 Metro North Health Staff Excellence Awards are:

1. People Focus
2. Innovation
3. Excellence in performance
4. Leadership
5. Values in Action
6. Excellence in Integrated Care
7. Excellence in Training and Education

Nominations close 5pm, Thursday 16 September 2021.

Selection criteria

Nominations should be current or recently completed (eligible period from 10 November 2020 to 16 September 2021). Nominations should clearly demonstrate how teams or individuals have delivered specific outcomes against the selection criteria. During the judging process, nominations may be moved to a different category if appropriate.

Award category criteria

1. People Focus

Putting people first through a commitment to excellence in service and focus on others.

How does this nomination:

- display an understanding of colleagues/consumers and their priorities, needs and expectations
- demonstrate a focus on the delivery of services and initiatives in line with identified needs and expectations of colleagues/consumers
- demonstrate empathy and collaboration with others that is dignified and respectful of their needs, values and preferences

2. Innovation

Driving ideas into action through innovative approaches.

How does this nomination:

- invite challenge and positively challenge others to create innovative, practical solutions by moving outside of standard thinking practices
- actively encourage bold thinking and embrace new ideas to deliver improved performance and health outcomes
- Demonstrate a proven ability to respond positively to change and work across boundaries to develop effective solutions.

3. Excellence in Performance

Supporting a culture of excellence and unleashing the potential of people and organisations to provide outstanding performance.

How does this nomination:

- demonstrate a commitment to high performance and strive for greatness
- Lead the way and set clear expectations to enable excellence
- continuously seek and effectively act upon others' input.

4. Leadership

Empowering people through excellence in leadership, collaboration and team development.

How does this nomination:

- display leadership through a spirit of collaboration, trust and recognition
- identify strengths and empower others to maximise potential
- foster excellence in organisational performance and/or productivity and client service.

5. Values in Action

Leading by example and demonstrating our values to create a positive workplace culture that enables and supports people to lead and deliver excellent patient-centred care and high quality services.

How does this nomination:

- exemplify one or more of our Metro North values (respect, teamwork, compassion, high performance, integrity) to strengthen the delivery of public healthcare for the people and communities we serve
- Contribute to a positive and welcoming workplace where people feel valued
- Encourage a culture of partnership and/or collaboration.

6. Excellence in Integrated Care

Collaborating with healthcare partners to better connect care for our community.

How does the nomination:

- demonstrate a connected approach to care to enable access to the right care in the right place at the right time
- identify and address community health needs through partnerships to promote equitable access to services, particularly for disadvantaged and vulnerable groups
- build new and innovative partnerships between the public and/or non-government sectors to ensure the best possible healthcare for the people we serve.

7. Excellence in Training and Education

Fostering a culture of excellence by prioritising the development of staff through innovative techniques.

How does the nomination:

- Develop innovative educational opportunities (both clinical and non-clinical) to meet identified learning needs and/or used innovative techniques to develop skills
- Provide ongoing support and commitment for the development of staff or students/trainee
- Strongly contributed to developing others, connecting teaching to business needs to support patient care.

Required nomination format

1. Nominee details

Provide a contact for the Primary Nomination Representative. Please note: this person will be contacted should the individual or team nominated become finalists.

2. Nomination Endorsement

Provide the name and contact details for a person willing to give a reference for your nomination.

3. Nomination overview

Provide a brief overview (maximum 150 words) of the team or individual including the purpose (of initiative), key outcomes and achievements.

4. Key achievements and outcomes

Include quantitative and/or qualitative data and information specifically relevant to the aims and outcomes of the initiative, team or individual. Comparative data is highly desirable to demonstrate effectiveness of outcomes. Provide evidence of the extent to which the aims and objectives were accomplished, details of the evaluation methodology and the planned future directions.

5. Response to category criteria

Directly address the award category criteria relating to the team or individual. Criteria should be addressed directly in the online nomination submission, not in the supporting documentation.

6. Supporting documentation

If appropriate, provide any supporting materials relevant to key aspects of the nomination such as newspaper articles, letters of appreciation or publicity photos that demonstrate the achievements of the initiative, team or individual.

7. Photos

If appropriate, provide a selection of up to five photos. Action shots are preferred.

Please note: Supporting documentation should not exceed ten pages and five photos.

Judging of nominations

Nominations will be reviewed by a panel of judges and evaluated against the award category criterion outlined within the guidelines.
