

FREE VIRTUAL EVENT

2022 | 6th Annual CANCER PRECEPTORSHIP FOR GENERAL PRACTITIONERS

SATURDAY 23 JULY

We look forward to you joining our RBWH Cancer Care Team for this Oncology event!

Welcome to the 2022 Cancer Preceptorship for General Practitioners!

RBWH is the largest Cancer Care service in Queensland. Our experienced doctors deliver world class treatment & clinical trials, supported by a dedicated team of nurses, radiation therapists and allied health professionals to provide exceptional patient focused and supportive care.

Associate Professor Melissa Eastgate and colleagues invite you to attend the Cancer Preceptorship for General Practitioners. The program overleaf outlines the topics for 2022.

We want to partner with you to provide GREAT care, to your patients, at one of their toughest times.

This event is an RACGP CPD Activity

VIRTUAL EVENT

The 2022 Cancer Preceptorship for General Practitioners is a FREE Education event. The platform will open at 8.30am for a 9am start with the program concluding at 1.15pm

Free Registration online – Now open!

<https://www.trybooking.com/BXOLG>

Registration will remain open through to 20th July 2022. Your Teams link will be forwarded two days prior to the event.

By registering, you agree to participate in the full program to receive your CPD points.

“Relevant topics - not an overloading of information with good variety”

“Excellent teaching day. All GP's should rotate through the program”
