

INVITATION FOR GPs

Common challenges in primary care - Sexual Health update

Tuesday 21 February 2023, The Prince Charles Hospital Education Centre

Brisbane North PHN and Metro North Hospital and Health Service invite GPs to join us and our panel of experts for an evening of education, networking and discussion. Join your GP colleagues and Specialists from the Metro North Sexual Health team and Metro North Public Health Unit to discuss the assessment and management of common sexually transmitted infections and up to date information regarding Sexual Health and Public Health services and referral pathways.

This interactive session will be held **face to face** at the TPCHE Education Centre and will give participants the opportunity to discuss cases encountered and managed in practice. Two or three case studies will be chosen for discussion on the evening. If you have a case study* that you would like discussed please provide the case information [here](#).

Experts from the Metro North Sexual Health and Public Health Unit teams will be on hand to discuss services and management of conditions in primary care throughout the evening.

**GPs providing case study information may be able to self-log additional RP points*
