

ALLIED HEALTHRESEARCH SYMPOSIUM

Transforming Healthcare through Research, Innovation & Excellence Wednesday 2 August 2023

8.30 – 8.45am	Welcome and Official Opening		
	Dr Kellie Stockton, Executive Director Allied Health, Metro South Health		
8:45 – 8:55am	Mark Butterworth, Chief Allied Health Practitioner, Metro North Health Welcome to Country		
6.45 – 6.55aiii	Welcome to Country		
8.55 – 10.00am	Plenary Session 1: Value Based Care		
	Session supported by Griffith University		
8:55 – 9:00am	Chairperson: Mark Butterworth Platinum sponsor presentation: Griffith Univer	ait.	
6.55 – 9.00am	Professor Analise O'Donovan, Pro Vice Chancellor (Griffith Health)		
9.00 – 9.30am	Plenary 1	or (Crimur Floater)	
	Value in health: Measuring and demonstrating	value of Allied Health models of care	
	Prof Joshua Byrnes, Director, Centre for Applied F	Health Economics, Griffith University	
9:30 – 10.00am	Plenary 2		
	How allied health research can influence policymaking Dr. Daniel Beitman, Deputy Chief Allied Health Officer, Commented the Department of Health		
10.00 – 10.30am	Dr Daniel Roitman, Deputy Chief Allied Health Officer, Commonwealth Department of Health Rapid Fire Showcase 1		
10.00 - 10.30am	Chairperson: Dr Kellie Stockton		
10.00 – 10.04am	Implementation Support Groups: A workforce knowledge translation capacity building initiative		
	Rhiannon Barnes		
10.04 – 10.08am	Clinical effectiveness of the Comprehensive, High-dose Aphasia Treatment (CHAT) program at		
	Surgical Treatment and Rehabilitation Service (STARS)		
10.08 – 10.12am	Emma O'Neill Can Improvement in delivery of smoking cessation care be sustained in inpatient psychiatry settings		
10.00 – 10.12aiii	through a system change intervention?	n care be sustained in inpatient psychiatry settings	
	Sally Plever		
10.12 –10.16am	Expectations of falls and the perspectives of fall prevention following discharge from a spinal injuries		
	unit		
10.16 – 10.20am	Kathryn Marshall	proach into routing care for coronary heart disease	
10.10 - 10.20am	Translating an evidence-based dietary pattern approach into routine care for coronary heart disease and type 2 diabetes: implementation and evaluation in Metro South Health		
	Dr Hannah Mayr		
10:20 – 10:30am	Speaker Q&A		
10:30 – 11.00am	Morning tea and e-Poster viewing		
11:00 – 12.30pm	Concurrent Sessions		
	Concurrent 1: Staff Development	Concurrent 2: Service Delivery & Telehealth	
		Session supported by PA Research Foundation	
11.00 11.100	Chairperson: Dr Rachelle Pitt	Chairperson: Prof Liz Ward	
11.00 – 11.10am	Defining quality indicators for clinical pharmacy service delivery in Queensland Public Hospitals	Delivering supervised group exercise to patients with cancer via telehealth: an implementation study	
	Martin Canning	using the REAIM framework	
		Dr Elise Gane	
11.10 – 11.20am	Rural Immersion Placement Program - Allied	Digital divide or digital exclusion: Do allied health	
	Health Dhiannan Barnas	practitioners' assumptions drive use of telehealth?	
11.20 – 11.30am	Rhiannon Barnes The Empathy Project - Staff Confidence and	Renee Cook Interdisciplinary Stroke Telerehabilitation Decision	
11.20 – 11.30am	Training Needs in Psychosocial Patient Care	Toolkit	
	Nicola Jones	Raj Singh	

11.30 – 11.40am	Demystifying interprofessional practice in nutrition and mealtime care in rehabilitation units using ethnography	A prospective pilot study of dysphagia following endovascular thrombectomy and thrombolysis Ellie Minchell
11.40 – 11.50am	Hannah Olufson Have bananas been wrongly accused? A review	Mixed Methods Quality Improvement Evaluation of
11.40 – 11.30am	of dietary potassium and hyperkalaemia in	STARS Allied Health Weekend Service
	chronic kidney disease	Erin Caruana
	Belinda Mason	
11.50 – 12.00	Speaker Q&A 1	Speaker Q&A 1
12.00 – 12.04pm	Finger Pointing and Calling (FPC): Using visual	Integrated speech pathology telepractice service for
'	and motor perception to reduce medication	swallowing rehabilitation: A feasibility study
	errors in opioid treatment clinics	Dr Clare Burns
	Sijimole Johnson	
12.04 – 12.08pm	Exploring the barriers and enablers to quality	Utilizing technology for Diet and Exercise Change
	clinical placements in physiotherapy at a	In complex chronic conditions across Diverse
	teaching hospital using an implementation	Environments (U-DECIDE Study): feasibility
	science approach	randomised controlled trial
40.00 40.40	Joanna Hargreaves	Riley Brown
12.08 – 12.12pm	An appropriate role for allied health professionals? Experiences in the COVID-19	Exploring Priorities of People with Traumatic Brain Injury and Occupational Therapists Toward Co-
	vaccination response	Design of an Occupation-Based Virtual Reality
	Dr Katrina Dunn	Intervention
	Di Raima Baim	Dr Emmah Doig
12.12 – 12.16pm	Allied health Research capacity and capability:	Does protein-energy malnutrition super-imposed on
	learnings from the Research Capacity and	obesity influence mortality and length of stay?
	Culture Survey	Findings of a single site clinical audit
	Iona van der Wiel and Dr Marianne Wyder	Dr Jack Bell
12.16 – 12.30pm	Speaker Q&A 2	Speaker Q&A 2
12.30 – 1.00pm	Lunch break	
1.00 – 2.00pm	Concurrent Sessions Workshop 1: Effective collaboration through	Workshop 2: Consumer and community
	Interprotessional education	engagement
	interprofessional education Workshop Sponsored by UQ HABS	engagement Session supported by Nestle Health Science
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell	engagement Session supported by Nestle Health Science Chairperson: Jessica Taylor
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins)
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins)
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction Implementing an interprofessional collaborative	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction Implementing an interprofessional collaborative practice curriculum (15mins)	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction Implementing an interprofessional collaborative practice curriculum (15mins)	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional
	Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins)	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research
	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins)
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research
	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins)	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen
	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff
	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins) Angela Wood	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff and consumer partnerships (10mins)
	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins)	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff
	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins) Angela Wood Speaker Q&A (15 mins)	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff and consumer partnerships (10mins)
2.05 – 2.40pm	Workshop Sponsored by UQ HABS Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins) Angela Wood Speaker Q&A (15 mins) Rapid Fire Showcase 2	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff and consumer partnerships (10mins) Ruth Cox & Bernadette Tanner
•	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins) Angela Wood Speaker Q&A (15 mins) Rapid Fire Showcase 2 Chairperson: Dr Kristyan Guppy-Coles	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff and consumer partnerships (10mins) Ruth Cox & Bernadette Tanner Speaker Q&A (15 mins)
2.05 – 2.40pm 2.05 – 2.09pm	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins) Angela Wood Speaker Q&A (15 mins) Rapid Fire Showcase 2 Chairperson: Dr Kristyan Guppy-Coles Enhancing emotional and psychological safety with	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff and consumer partnerships (10mins) Ruth Cox & Bernadette Tanner Speaker Q&A (15 mins)
•	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins) Angela Wood Speaker Q&A (15 mins) Rapid Fire Showcase 2 Chairperson: Dr Kristyan Guppy-Coles Enhancing emotional and psychological safety with introduction of a Child Life Therapist (CLT)	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff and consumer partnerships (10mins) Ruth Cox & Bernadette Tanner Speaker Q&A (15 mins)
2.05 – 2.09pm	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins) Angela Wood Speaker Q&A (15 mins) Rapid Fire Showcase 2 Chairperson: Dr Kristyan Guppy-Coles Enhancing emotional and psychological safety wit introduction of a Child Life Therapist (CLT) Meenu Wadhwa	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff and consumer partnerships (10mins) Ruth Cox & Bernadette Tanner Speaker Q&A (15 mins)
•	Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins) Angela Wood Speaker Q&A (15 mins) Rapid Fire Showcase 2 Chairperson: Dr Kristyan Guppy-Coles Enhancing emotional and psychological safety wit introduction of a Child Life Therapist (CLT) Meenu Wadhwa	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff and consumer partnerships (10mins) Ruth Cox & Bernadette Tanner Speaker Q&A (15 mins)
2.05 – 2.09pm	Chairperson: A/Prof Neil Cottrell THE UNIVERSITY OF QUEENSLAND AUSTRALIA Introduction Implementing an interprofessional collaborative practice curriculum (15mins) A/Prof Neil Cottrell Embedding IPE in clinical placements at STARS (15mins) Dr Karina O'Leary "Friday night in the ER": IPE in clinical teams (15mins) Angela Wood Speaker Q&A (15 mins) Rapid Fire Showcase 2 Chairperson: Dr Kristyan Guppy-Coles Enhancing emotional and psychological safety with introduction of a Child Life Therapist (CLT) Meenu Wadhwa Supporting mental health consumers — recommental	Session supported by Nestle Health Science Chairperson: Jessica Taylor My experience as a consumer co-researcher (5mins) Julia Robertson How to get Started (15mins) Christine Petrie & Jodie Nixon Consumer and community involvement in Allied Health Research: a co-produced cross-sectional online survey (5mins) Suzy Stoikov Co-Designing Consumer Involvement in Research (10 mins) Kelcey Pateman & Anja Christoffersen Learning & Development Needs for successful staff and consumer partnerships (10mins) Ruth Cox & Bernadette Tanner Speaker Q&A (15 mins)

2.13 – 2.17pm	An audit and comparison of Queensland overnight physiotherapy models of care Claire Hackett	
2.17 – 2.21pm	Dietitian-led micronutrient management after bariatric surgery: A mixed methods evaluation of clinical outcomes and staff experience implementing an extended scope model of care. Carrie-Anne Lewis	
2.21 – 2.25pm	Improving services for patients with Disorders of Consciousness (DoC) through staff and family education: Results of a pilot study Erin Kelly	
2.25 – 2.29pm	Rapid access to hand therapy services in the emergency department: beginning the journey for implementing alternate pathways of care Meagan Gough	
2.29 – 2.40pm	Speaker Q&A	
2.40 – 3.00pm	Afternoon tea break and e-Poster viewing	
3.00 – 4.00pm	Plenary Session 2: Artificial Intelligence in Healthcare Chairperson: Dr Cathy Hargrave	
	one process of the grant	
3.00 – 3.20pm	Plenary 3: Healthcare in an A.I. World Dr Brent Richards, Medical Director of Research Commercialisation and Professor of Critical Care	
3.00 – 3.20pm 3.20 – 3:30pm	Plenary 3: Healthcare in an A.I. World	
	Plenary 3: Healthcare in an A.I. World Dr Brent Richards, Medical Director of Research Commercialisation and Professor of Critical Care Research, Gold Coast Hospital and Health Service A.I. in Radiation Therapy – It's Here!
