

HERSTON HEALTH PRECINCT SYMPOSIUM 2023

Across the Healthcare Journey

4 – 7 September 2023
Education Centre
Royal Brisbane and Women's Hospital

VIRTUAL ATTENDANCE INFORMATION

Zoom Webinars

All open sessions of Symposium 2023 will be broadcast live by Zoom webinar. There is a generic link for each day of the Symposium – please find these below.

Plenary Lectures

Plenary lectures will not be broadcast live by Zoom. You are encouraged to attend these in person. For those not able to attend, recordings will be made available on the following day via the Herston Symposium website.

Participation and Questions

Please note that the webinar function does not allow you to join as a meeting participant. You will not be able to ask a question via your camera and microphone. However, live chat will be enabled so that you can ask a question by entering it into the chat. Session chairs will be provided with access to these questions and encouraged to raise them live during sessions.

Logging in and Logging out

You are able to log in and log out as many times as you please. You can join at specific times to hear specific parts of the program. Please use the Program and Abstract Program (afternoon abstract sessions) to guide you on when to join.

If the Symposium Program is in a break you will see a holding slide when you log in. This does not mean you are in the wrong Zoom session. Consult the Program and Supplementary Program to see when the session will be live again.

You will not disrupt the session in any way by logging in or out and can do so with privacy.

List of attendees

Zoom will collect the email addresses of accounts used to log in to Zoom sessions. The RBWH Research Office will send a single post Symposium feedback questionnaire to these addresses. The list will not be disclosed and will not be used in any other way. If you do not wish to be contacted, or would like your address to be deleted from the list of attendees, please let us know, Herston-Symposium@health.qld.gov.au.
