BreastScreen Queensland Brisbane Northside Service would like to invite Aboriginal and Torres Strait Islander women to book their free breast screen.

We offer breast screening to women aged 40 and over. Breast screening is most effective for women aged 50 to 74.

A Sistas Shawl will be given to women attending their breast screen, which can also be used as a privacy wrap. The Sistas Shawl aims to provide a sense of safety and comfort for Aboriginal and Torres Strait Islander women.
