

Metro North Health Aboriginal and Torres Strait Islander Employment Opportunities

Learn about us

Metro North Health is committed to providing equity of access to high quality health care services and building relationships based on inclusion with Aboriginal and Torres Strait Islander people and their communities. We remain committed to achieve life expectancy parity for Aboriginal peoples and Torres Strait Islander peoples by 2031.

Metro North Health's goal is to ensure all Aboriginal and Torres Strait Islander people accessing our health services will receive high-quality person-centred care that is culturally responsive, empowers self-care and choice, and is designed to improve health and wellbeing.
