

Telehealth (Videocall) - Sharing Content

How to share a file or photo

Step 1.

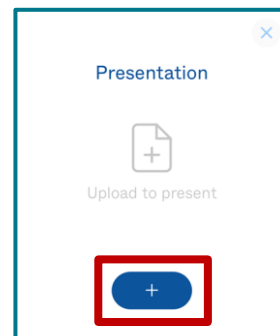

Select the icon that looks like a piece of paper with a plus (+)

If you cannot see the icon, move your mouse, or tap the screen and the bar will reappear.

Step 2.

Select the plus icon in the pop-up window.

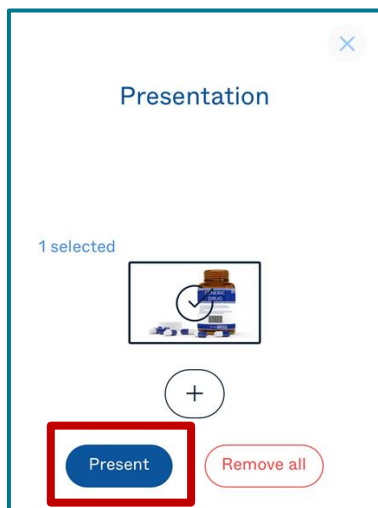

Step 3.

Choose the file or photo to share, then select 'add', 'open', or 'done.'

Step 4.

A preview will appear for you to check it is the correct file. Select 'present' to share the file or photo with your healthcare professional.

Step 5.

To stop sharing, select on the same icon, if you can't see it, move your mouse, or tap the screen and the bar will reappear.
