

Excellence in Action

2024 Metro North Nursing and Midwifery
Showcase

15th November 2024
8.30am – 5.30pm

RBWH Education Centre

Welcome

Welcome to the inaugural Metro North Nursing and Midwifery Showcase *Excellence in Action*. It is our pleasure to announce the 2024 Showcase program.

This Showcase will celebrate Metro North Health Nurses and Midwives. The program will demonstrate how we strive for excellence in healthcare through the provision of compassionate, safe quality, evidence-based care by capable and professionally prepared nurses and midwives [1].

We were delighted to receive over 60 abstracts. This was well beyond our expectations. We will be offering 4 awards, valued at \$1,000 each: (1) Research, (2) Quality Improvement, (3) Implementation, Education and Workforce, and (4) Higher Degree Research Award. Furthermore, we will offer 2 prizes, valued at \$500 each, voted by the audience: (1) Best Oral Presentation and (2) Best Poster Presentation. These awards and prizes have been supported from the Joan Webster Fund. We encourage you to sign up for Metro North Workplace Giving through the RBWH Foundation and Common Good.

The day will open with a Panel Discussion with Clinician Researchers with positions embedded within our Metro North facilities and academic partners. After lunch we are excited to offer 4 interactive sessions: (1) Generating Research Evidence, (2) Translating Research into Practice, (3) tour of the Clinical Skills Development Centre, and (4) two panel discussions – Digital Transformation and Co-design and effective Consumer Partnerships. The final session of the day will hopefully challenge you to embrace diversity and build an inclusive culture.

Queensland Nurses and Midwifery Union, QSuper, RemServ, Queensland University of Technology, Griffith University, Clinical Skills Development Centre, HELIX, MN Research and Queensland Clinical Guidelines will have stands in the atrium. Registrants will be given a passport on the day to collect a stamp at each stand to go into the lucky draw supported by QSuper and a coffee voucher from the QNMU.

The Showcase would not be possible with the Committee: Dr Nicole Gavin, Prof Nicole Marsh, Prof Samantha Keogh, Prof Jed Duff, Prof Alison Craswell, Prof Clint Douglas, Adam Turbutt, Dr Amanda Corley, Dr Grace Xu, Prof Lauren Kearney, Sue Bullock, Nathan Costin, Samantha Nelson, Constance Gray, Joanne Sippel, Ila Stuer, Leanne Robinson, Elisha Swift, Robin Counsel, Trish Smith, Kestra Davenport, Nathan Dart, Sharon Ireland

Excellence in Action

TIME	SESSION	PRESENTER
11.30am – 11.35am	Co-design of an E-health application to improve the perioperative patient journey and facilitate integrated care	Cory Williams: Clinical Nurse Consultant, Safety and Quality, Perioperative Services, RBWH
11.35am – 11.40am	Reflective and collaborative community nursing practice in post-acute wound/stoma care: A case study	Karina Osborne: Registered Nurse, Post Acute Care Services, North Lakes Health Precinct
11.40am – 11.45am	Exploring women’s experiences of postpartum breastfeeding support and education provided by midwives	Emma Shipton: Registered Midwife, Maternity Ward 6B, Perinatal Research, RBWH
11.45am – 11.50am	Evaluating the implementation of the Australian Midwifery Standards Assessment Tool (AMSAT) for new graduate midwives	Leah Ebert: Clinical Nurse/Midwife Clinical Facilitator, Nursing and Midwifery Education, Redcliffe Hospital
11.50am – 11.55am	Women want water: Improving access to water immersion for labour and birth	Jessica Pope: Midwifery Educator, Clinical Skills Development Services Simulation and Education, RBWH
11.55am - 12.00pm	Session wrap up and close	
12.00pm – 1.00pm	Lunch, Networking, Poster Viewing and Voting	
1.00pm – 3.00pm	Interactive Breakout Seminars	
	Seminar Room 1: Generating Research Evidence	Seminar Room 2: Translating Research into Practice
	Presenters: Prof Samantha Keogh: Joint QUT/RBWH Professor of Nursing, Acute and Critical Care Services Dr Nigel Lee: NHMRC Emerging Leadership Fellow, University of Queensland	Presenters: Prof Jed Duff: Joint QUT/RBWH Professor of Nursing, Research and Implementation Kim Hyam: Nurse Unit Manager, Transit Care Centre, RBWH Maritza Harvey: Nurse Educator, Clinical Skills Development Services, Simulation and Education
	Explore the full cycle of evidence generation: from identifying clinical need and framing research questions to designing studies, conducting research, analysing findings, and disseminating results. This session equips participants with essential tools to transform clinical problems into impactful, evidence-based solutions.	This workshop on translating research into practice focuses on identifying and addressing barriers to implementing evidence-based changes in healthcare. The session will provide practical strategies and simple tools for achieving sustainable improvements.

Excellence in Action

TIME	SESSION	PRESENTER
1.00pm – 3.00pm	Interactive Breakout Seminars	
	Tour of Clinical Skills Development Service Block 6, Level 5 Presenter: <i>Leanne Robinson: CNCF Simulation Coordinators</i>	Auditorium 1-2pm: Digital Transformation: Supporting nurses now and into the future Presenter: <i>Joanne Sippel: Clinical Informatics Nursing Director, Digital Metro North</i>
	Let us introduce you to Simulation, Moulage and Queensland Innovation Living Lab (QuILL) where you can meet and interact with one of our patients and the technology that makes the magic happen. All this while learning some basics in providing education for clinical skills and human factors, using technology and different modalities as well as unleashing your creativity by crafting a realistic bruise or laceration.	With the rapid influx of digital technologies nurses need to be equipped with the skills to keep pace with the change and transformation of healthcare systems. Our expert panel will discuss what we are doing now to support change and what lies ahead for nursing and digital health.
		Auditorium 2-3pm: Co-design and Effective Consumer Partnerships Presenters: <i>Dale Trevor: RBWH Research Consumer</i> <i>Emily Larsen: Griffith/RBWH Vascular Access Research Fellow</i> <i>Claire Harrison: Manager Consumer and Community Partnerships, Brighton Wellness Hub</i>
		Our expert panel will explore the vital role of consumer engagement and lived experience perspectives in driving change and improvement. An interactive Q&A will follow the presentation.
3.00pm – 3.30pm	Afternoon Tea and Poster Viewing	
3.30pm – 4.30pm	<i>Embracing diversity and building an inclusive culture – building the future of nursing and midwifery</i>	
3.30pm – 3.35pm	Topics	Panel Chair: <i>TBC</i>
3.35pm - 3.50pm	Low birth weight First Nations babies: Bridging the gap between science, statistics and cultural sensitivity	Tara Denaro: CNC, Strong Start to Life, Indigenous Health Leadership Team, TPCH
3.50pm - 4.05pm	Improving access to tertiary and quaternary health services for Aboriginal and Torres Strait Islander patients by addressing their social, emotional, and spiritual wellbeing	Yashni Kander: Nurse Navigator – Aboriginal and Torres Strait Islander, Multicultural Health, RBWH Patient Flow Services
4.05pm - 4.20pm	Let's celebrate neurodivergence: Unlocking potential through inclusive practices	Cath Saddler: Nurse Educator, Workforce Development and Education Unit, RBWH
4.20pm - 4.30pm	Audience Panel Questions and Answers	
4.30pm – 5.00pm	Closing Remarks and Prizes	<i>Gillian Nasato: Director of Nursing and Midwifery, Research and Academy</i>
5.00pm – 6.00pm	Sundowner and Poster Viewing
