

Health Equity Bursary Opportunity 2024

Proposal: The Metro North Kidney Supportive Care team would like to offer the opportunity for 1 staff member who identifies as Aboriginal and/or Torres Strait Islander, who works with people living with advanced kidney disease and a special interest in Kidney Supportive Care. The chance to attend this KSC Masterclass with their admission ticket being paid (value of \$170). With potential for an additional sum of \$400 to be provided to those applicants who do not live in Brisbane or who live interstate to partially cover flights and accommodation costs that will be incurred to attend the Brisbane event (**note funding will only be provided post event, not before).

Applicant Criteria:

- Applicants can be from any discipline (e.g., medical, nursing, allied health, researcher, or other health care worker role)
- Must identify as Aboriginal and/or Torres Strait Islander.
- Directly work with people living with advanced chronic kidney disease.

Have a key interest in KSC and are looking to increase their knowledge and skillset on the core curriculum topics of KSC to integrate key learning within their local workplace.

Application Process:

Interested applicants who meet the above criteria should:

- Submit application via mnkhs_ksc_symposium@health.qld.gov.au
- Title the email Health Equity Bursary Opportunity application prior to **8th November**
- Submit a small paragraph, **no more than 200 words** explaining:
 1. What areas of KSC are you aiming to enhance your knowledge on and why.
 2. Describe how you plan to share this new knowledge with your colleagues in your local work unit.
 3. How you anticipate this education will improve patient outcomes.

We look forward to your applications and will be in touch in before November 14th to notify of this years successful applicant.
