

Community and Oral Health
Aboriginal and Torres Strait Islander

Nurse Navigation Service

A culturally safe Nurse Navigator and
Health Worker service that comes to you.

Things we can help with:

- Advocating for care
- Care coordination
- Link with GP services
- Health monitoring – for example blood sugar, blood pressure
- My Aged Care
- NDIS application help
- Health education
- Meeting your health goals

To find out more call us up and have a yarn!

0417 481 421 or 0417 027 642

You can also ask any health
professional to refer you (doctor, nurse,
allied health) or your IHLO. Tell them to email us at:
