

General Practice Liaison Officer Program presents

# Championing Generalism Workshop

**Generalism:** a philosophy of care distinguished by a commitment to the breadth of practice within each discipline and collaboration with the larger health care team in order to respond to patient and community needs.

## SATURDAY 31 MAY 2025

Join your GP colleagues for our annual multispecialty event featuring multi-disciplinary, GP-led, GP-facilitated, and case-based discussions to capture the breadth of the health care team and optimise collaboration and learning.

### PROGRAM

7:30am Registration & refreshments  
8:00am Workshop commencement  
4:30pm Workshop close

### Topics include:

- Post Intensive Care Syndrome
- We need to talk about Burnout
- The Infectious Diseases cocktail
- How safe is your older person?
- Breathe easy: Lung Cancer Screening for GPs
- Weight management: a team effort for better health
- Managing acute distress in Primary Care: practical strategies for GPs
- Bottoms up: a deep dive into haemorrhoids, hernias & fissures
- Bone Voyage: an update on Osteoporosis
- POTS

For more information about the event, please contact [MetroNorthGPO@health.qld.gov.au](mailto:MetroNorthGPO@health.qld.gov.au)
