

COMPREHENSIVE BREAST CANCER INSTITUTE

Join us for a Breast Cancer Education Event

**FREE
EVENT**
MORNING TEA &
REFRESHMENTS
PROVIDED

Saturday 14th June 2025, 8.30am-12pm

Clinical Skills Development Service, Block 6 RBWH Campus, Level 5 Conference Rooms 2 and 3

Calling all GPs! Get ready for a morning packed with insights, updates, and valuable takeaways from the Comprehensive Breast Cancer Institute's expert multidisciplinary team.

Our speakers include a breast surgeon, genetics specialist, BreastScreen Director, medical oncologist, breast physiotherapist and breast radiologist. Whether you're new to breast medicine or want to deepen your knowledge, this event will arm you with the latest clinical practices, practical tips, and plenty of opportunities to ask questions.

Enjoy a relaxed atmosphere with morning tea, meet colleagues, and take home CPD points you can self-log. It's learning, networking, and a cup of tea - all in one.

The event will provide information and education, with topics including:

Benign Breast
Conditions

Breast Cancer
Genetics

Breast Cancer
Screening

Role of a Breast
Care Nurse

Comprehensive
Diagnostic Breast Clinic

Contrast Enhanced
Mammography

Lymphoedema
Management

Neoadjuvant
Chemotherapy
