

General Practice Liaison Officer Program presents

Championing Generalism Workshop

Join your GP colleagues for our annual multispecialty event featuring multi-disciplinary, GP-led, GP-facilitated, and case-based discussions to capture the breadth of the health care team and optimise collaboration and learning.

SATURDAY 21 MARCH 2026

***Generalism:** a philosophy of care distinguished by a commitment to the breadth of practice within each discipline and collaboration with the larger health care team in order to respond to patient and community needs.*
